YON, Special Agt Hariford, Conn.

It's an art to take baby's photegraph as it should be taken. To catch his regnish little smile, his pretty little dimple, Such photograps become prized remembrances of babyhood's days in years to come. We have had years of experience in photographing children. They always look their best when we take them. No troublesome posing.

### LAIGHTON,

Snap them in a fiffs.
